OUR VALUES..

RESPECT

To compassionately support pupils and their families to navigate their newly acquired needs

GROWTH

To support pupils to participate in school with the greatest independence and efficacy possible both during and after placement

CURIOSITY

To courageously explore our own potential as a whole school community

THE SURREY TEACHING CENTRE

We provide education on behalf of Surrey for all of the children and young people who come to The Children's Trust for rehabilitation placements. We work as part of the multi disciplinary team in the New Cheyne Centre

The Surrey Teaching Centre is a Surrey maintained Medical Pupil Referral Unit based on the site of The Children's Trust. We have capacity to teach 24 pupils aged 2-19 years old.

HOW WE FIT INTO YOUR CHILD'S REHABILITATION PROGRAMME

Each child or young person has an individual timetable, which includes 2 school sessions per day, one in the morning and afternoon. Therapists may join a school session to support a pupil's access to education. Teachers aim to assess your child's abilities and work on areas that need some extra help. Teachers will write reports during your child's stay, and are always available to talk with you and keep you updated on progress. Our final reports will help schools support your child when their rehab programme ends

USEFUL INFORMATION

You can find useful links and recourses on our website:

- Information following a brain injury
- Fatigue after a brain injury
- Preparation for adulthood
- Online safety
- Careers guidance
